

Arne S Domus

Santa & Cole Team. 2018
Pendant lamps

SANTA & COLE

Aluminum grey

White grey

Dark green
RAL6015

Originally designed for Santa & Cole's urban lighting catalogue and now produced by the subsidiary Urbidermis, Arne Domus and its reduced version Arne S Domus, is the domestic version of the traditional industrial spotlight, made according to 21st century standards. Sturdy and very efficient, it is perfectly adequate to its function. Its high resistance makes it suitable for both indoor and outdoor spaces.

Made from an aluminum body, a unique circular plate covered by an opaline diffuser hosts the LED light source. The lamp features sleek lines, geometric-inspired, and an exquisite light that makes visible the most subtle hues. Simple and colourful, it is a modest tribute to the spirit of Scandinavian design.

General description:

Matte aluminum injection structure with integrated driver in 3 colour options: white grey, aluminum grey and dark green.

Primary optics with tempered glass cover.

Circular metal canopy.

Suitable for outdoor use.

Electric cable length: 4 m / 157.5"

Suitable for Junction Box (American version).

Approximate weight (unpacked):

3,3 Kg / 7.2 lb

Technical information:

Dimmable light source included

Built-in COB LED

Rated input wattage: 28 W

Operating current: 700 mA

CCT: 2.700 K

CRI: 90

Lifetime: 40.000 h

Luminous flux: 2.471 lm

European version: suitable for dimming 1-10V / DALI. Not included external dimmer switch 1-10V / DALI.

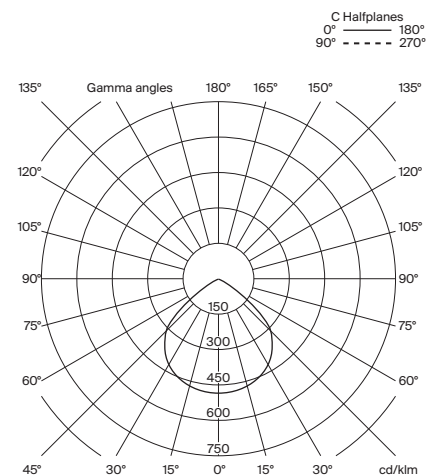

American version: suitable for dimming 1-10V. Not included external dimmer switch 1-10V.

Suitable for outdoor use.

Non-replaceable light source.

Input voltage: 90 ~ 305 Vac.

(50 Hz / 60 Hz). According to destination

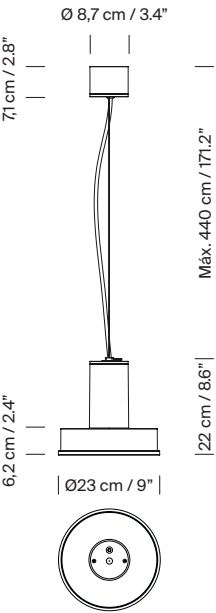

Maintenance:
